Wendy;

I was looking at the information that you sent and noticed that the plant had a another intake for emergency – Gyadotte would you be able to determine if that intake is above the contaminate release

They are one of my systems. Should we reach out. I have direct connections.

Ex. 4 - CBI

I have her cell info in my folder on my visitor chair. If not Sara Kinslow took the folder.

That folder may have distribution system map.

Wendy

Thanks – Karen is in and PK, Vicky is also on her way but stuck in traffic with the weather. They have activated the RICT.
